

Lighting designed for your space

For over 15 years, artist, David Tonnesen's work has illuminated many New England restaurants and homes. He can design and fabricate that distinctive fixture you cannot find elsewhere.

From a bold entry or dining room chandelier to elegant pendant or sconce, each handmade piece is a product of the artist's collaboration with the owner, architect, or designer, resulting in a beautiful, functional and sculptural statement for your home.

Contact David to start the process of creating that perfect solution to your lighting needs.
